Training course has been organised within the project  
“Transnational educational mobility of pupils and school  
education staff”, co-funded by the European Union through  
the European Social Fund Plus, European Funds for Social  
Development 2021-2027

I am so happy that I could improve my language skills within the project entitled „We are together”.

I have successfully completed training course General English Intensive in Bayswater in Limassoll in Cyprus from 03 July to 14 July 2024.

I had the opportunity to learn and exchange experiences with an international group of teachers from Slovakia, Czech Republic, Ukraine, Finland, Estonia and Cyprus.

After the school I and my friends- Renata, Aneta and Marzena got to know Cyprus- culture, history, nature and cuisine.

We visited donkey farm near Limassol, many churches, beautiful beaches for example Nissi Beach, Aphrodite Beach and museums in Nicosia and Paphos.

After the course, with new experience, motivation and energy we went back to work. I hope that in the future, we will participate in subsequent projects that develop us.
